Hi, nice article, but requires some sub headings to make it more structured. Could you do it or would you prefer somebody else to? — *Harishankar 2012/09/01 01:00*

Thanks. Feel free to make improvements. That is the purpose of a Wiki. — *David Allen 2012/09/01 04:47*

>> The courtesy is appreciated. I am aware of the guidelines, but I feel that some latitude is in order as far as editing for presentation, consistency of style and general readability while the Wiki is in the early stages of content population, especially when the content is of well known, general nature. — *David Allen 2012/09/01 06:21*

Hey guys, all looks well here. I was just wondering why this article is flagged as needing attention? — *V. T. Eric Layton 2012/09/07 20:46*

> Not sure why the additional tags appeared. I have edited the tags, saved the page, then restored the original tags and saved the page again. Seems to have fixed the problem. — *David Allen 2012/09/08 00:10*
