

I think that these lines need to be changed:

```
atetest -D hw0,0 test.wav (WHERE 0,0 is card/slot 0, device 0 and test.wav is a sound file.)
```

```
atetest -D hw0,1 test.wav
```

```
atetest -D hw1,0 test.wav
```

```
atetest -D hw1,1 test.wav
```

to

```
aplay -D hw:0,0 test.wav (WHERE 0,0 is card/slot 0, device 0 and test.wav is a sound file.)
```

```
aplay -D hw:0,1 test.wav
```

```
aplay -D hw:1,0 test.wav
```

```
aplay -D hw:1,1 test.wav
```
