

allend: I would edit the very long lines, and insert line breaks every 80 characters or so. Otherwise you have a very big horizontal scrolling to do to read the text.

Agreed! That is why it is still in the playground. I am also wondering whether a paragraph should be added about adding NFS mounts in /etc/fstab. — [David Allen](#) 2012/08/23 08:10

OK - I have now removed the extraneous spaces that somehow appeared when I copied and pasted from gvim. — [David Allen](#) 2012/08/23 08:10
