

Available Wiki templates

This is an overview of the templates which have been created for the various namespaces in the SlackDocs wiki.

Their main purpose is to ensure that every page contains at least one tag which will make it show up in the proper place in our [Table Of Contents](#).

Page	Date	Description
• CPU-frequency Scaling with Slackware	2012/09/28 20:05 (UTC)	CPU-frequency Scaling with Slackware Overview CPU-frequency-scaling is done by the kernel. Slackware comes with all requirements necessary to use this featur...
