I think I prefer this to the original — *Brian Lawrence* *2012/10/18 13:55*

> So do I. Personally, I'd also use a two-column layout for bottom sections as well (the Help subsections?). It's easier to read and looks more balanced (especially on bigger screens). Having said that, I agree with Eric not willing to make the front page look much different than the rest of the wiki. — *Marcin Herda* *2012/10/18 15:56*
