

As you are trying to track your articles on this page I would like to recommend adding the following code on the bottom of your user page

```
==== Articles ====  
{{topic>author_htexmexh -  
work_in_progress&table&showdate&user&nodesc&nocomments&notags&nosort}}
```

, if you add the tag **author_htexmexh** on each of you articles they will automatically appear in this index. You can look at my user page to see what it looks like. — *Matthew Fillpot 2012/09/29 04:32*

I would like to remind everyone that, as per the license terms of this site, anyone is allowed to edit my articles without my permission. My only request is that they remain in accord with the KISS principle. — *Johaán Strojandogg 2013/10/05 11:31*
