

Hi, my name is David. If you're snooping around here I guess you may be looking for a way to contact me. Well your best bet might be to look for me on [Linux Questions](#) in the [Slackware ARM](#) subforum. You can leave me a PM there (same nic as here). There are times when I'm too busy to have a look at the LQ forum for quite some time, if that's the case you can try contacting, via email, the same nic @ yahoo.it (be smarter then a robot).
