

V. T. Eric Layton AKA vtel57, Nocturnal Slacker - Slackware Linux Documentation Project Site Editor

Welcome to my SlackDocs user page. My name is Eric. I live in Tampa, Florida, USA.

I am proud to be a part of the Slackware Linux Documentation Project. While we already have excellent sources of information such as the [Slackware Linux Essentials](#), [Jeremy's LinuxQuestions.org](#), and many, many fine [blogs](#), [boards](#), [mailing lists](#), and [other websites](#); a central go-to location for everything Slackware has been a dream of many hardcore Slackers over the years. We're all here to make that dream a reality. I hope you'll join us.

Thanks for reading my user page.

Regards,

~Eric
